Work with new Technologies

Skills

PROGRAMMING
• Html • CSS • Javascript • C++ • Java • SQL

FRAMEWORKS
• React • Nextjs • Nodejs • Expressjs • MongoDb • Tailwind Css • Material Ui • Bootstrap

Experience

FRONTEND DEVELOPMENT INTERN
Provoke Pvt. ltd

📅 Oct 2022 – Jan 2023   📍 Indore, MP

- During my internship as a frontend developer, I had the opportunity to work on a diverse range of projects that allowed me to showcase my skills in creating beautiful UI/UX designs and implementing key features.
- Collaborating closely with the design team, I transformed wireframes and mockups into visually stunning user interfaces. With meticulous attention to detail, I crafted intuitive and aesthetically pleasing designs that prioritized user experience and seamless navigation.

Projects

EXPENSE MANAGEMENT SYSTEM | [Link]
Developed a robust Expense Management System with a backend built using Node.js and Express. Utilized MongoDB as the database for efficient and reliable data storage and retrieval. Implemented secure authentication and authorization mechanisms to ensure data privacy and user access control.

WEB3.0 WEBSITE | [Link]
I had the privilege of being a key contributor to an intricate and visually captivating project developed using React. This project showcased my expertise in crafting complex UI/UX designs to deliver an exceptional user experience.

ADMIN DASHBOARD | [Link]
I played a pivotal role in the development of an exceptional admin dashboard built with React. This project showcased my ability to create a sleek and user-friendly UI/UX design that elevated the overall experience. Working closely with the design team, I meticulously implemented a clean and intuitive interface that prioritized usability and efficiency.
